We are remaining open over the Christmas period, shutting just on the public holidays PLUS Monday 31st Dec and the weekends as usual. During the week between Christmas and New Years' bookings will be taken on the day. There will be NO pre-booking appointments for this short week, even on the portal. Please note that your usual GP may not be available. We would appreciate it if any regular appointments for ongoing conditions be put off until after the holidays to allow room for urgent on-the-day cases.

Please call on the day from **7.30am** for an appointment, we will be booking the morning first and the afternoon ones after 12pm in order to optimise the doctors time. Our phone will divert to a helpline after hours, so if you have any concerns just dial our usual number. If it is an emergency, please call 111 immediately.

We wish everyone a merry Christmas and a prosperous New Year !!!!
